

Travel and leisure

**Safe on the road during
camping holidays.**
With camping travel insurance
from ERV.

Cancellation costs before and during the trip.

We will cover your cancellation costs if you are unable to start your camping holiday or have to terminate it prematurely. Included in the cover are the rental fees of the camper and the reservation fees for the camping tent or pitch.

Cancellation costs before and during the trip

Overview of benefits

Scope: valid worldwide

Duration of the insurance: up to 92 days of travel

Insured are: up to 9 persons

Insured events

Serious illness, accident or death

Sickness due to COVID-19 including prescribed quarantine

Natural hazard damage such as fire or storm to property at home

Unforeseen new start of employment

Termination by the employer through no fault of the employee

Premium

4% of your rental and reservation fees¹

¹ The maximum sum insured is limited by the insured travel price. Include your rental and reservation costs for camping holidays when you take out the insurance to benefit from full protection.

Our recommendation

Leave nothing to chance: For optimal protection, we recommend that you take out the two insurance modules in combination.

Your insurer is ERV, a branch of Helvetia Swiss Insurance Company Ltd, www.erv.ch, info@erv.ch, T 058 275 22 10.

The Service Centre will be happy to answer any questions you may have.

Deductible guarantee for the camper.

We cover the deductible of your rented camper in the event of collision damage or theft up to CHF 5,000.00. The prerequisite is that the collision damage or theft is covered by the hirer's vehicle insurance.
