Information about your insurance policy

Dear Client

We would like to inform you about the identity of the insurer and the material content of the insurance contract (Art. 3 of the Insurance Contract Act).

Who is your contracting party?

The insurer is EUROPÄISCHE Reiseversicherungs AG (hereinafter referred to as "ERV"), a stock corporation under Swiss law, with its registered office at St. Alban-Anlage 56, 4002 Basel.

What risks are covered and what scope does the insurance cover have?

The insurance application, the corresponding General terms and conditions of insurance (GCI) and/or any Special conditions (SC) stipulate the events upon whose occurrence ERV is obliged to make a payment.

What insurance benefits are paid?

The amount and/or maximum limit and the type of insurance benefits can be gathered from the insurance application, the policy and the corresponding GCI or SC. The same applies to any deductibles or waiting period.

How high is the premium payable?

The amount of the premium depends on the insurance cover selected and on the insured risks. Details of the premium and the statutory duties and fees (e.g. Swiss Federal stamp duty) can be found in the quote, the insurance application or in the policy and premium note. The premium is generally paid once a year. Other types of payment are possible on request, and may involve a supplement. If the contract is terminated early, ERV reimburses the premium not spent in accordance with the statutory and contractual provisions.

What other duties do you, as policyholder, and the insured persons have?

The essential duties of the policyholder and the insured persons include the following, for example:

- In the event of a claim, it must be reported to ERV immediately, e.g. using the 24-hour helpline +41 848 801 803.
- The policyholder and insured persons must co-operate in clarifications of ERV, e.g. in clarifications in the event of a claim (obligation to co-operate).
- In the event of a claim, reasonable actions must be taken to mitigate and elucidate loss (duty to mitigate loss).
- If a change in the material circumstances recorded in the insurance application and policy lead to an increase in risk, there is a duty to notify ERV of this without delay (aggravation of risk).

When does your contract of insurance commence and end?

The contract commences and ends on the date stated in the insurance application and in the policy. If proof of insurance or a provisional cover note was issued, ERV will grant insurance cover from the date specified therein until delivery of the policy. After the expiration of the agreed contract period, the contract will be tacitly renewed for successive terms of one year unless one of the contracting parties gives three months' prior written notice of termination. If the term of the contract is less than one year, it terminates on the expiry date stated in the policy.

The contract may, among other things, be terminated prematurely by notice of cancellation:

- following a loss event for which ERV has made payments:
 - by the policyholder within 14 days of being notified of the payment; the insurance cover terminates 14 days after receipt of the notice of cancellation;
 - by ERV at the latest at the time when payment is made; the insurance cover terminates 14 days after receipt of the notice of cancellation;
- in the event of an increase in the premiums or deductible by ERV: by the policyholder at the end of the insurance year, if he does not agree with the revision. Officially prescribed adjustments (such as changes in the premiums, the deductibles, the indemnity limits, the scope of cover or the duties and fees) shall be reserved in the case of cover regulated by law.

Why is personal data processed, passed on and stored?

What personal data is processed?

Data acquisition and processing serves the business of insurance transactions, the marketing, selling, administration, mediation of products and services and risk assessment, as well as the handling of insurance contracts and any secondary business associated with this.

The data is physically and/or electronically acquired, processed, stored and deleted in accordance with the regulations of the legislator. Data which concerns business correspondence must be stored for at least 10 years from contract termination and claims data for at least 10 years after completion of the claim.

In essence, the following data categories are processed: interested parties data, customer data, contract and claims data, health-related data, data from injured parties and claimants as well as collection data.

ERV is authorised to disclose all this data to the extent required to co-insurers and reinsurers, official bodies, insurance companies and institutions, central information systems of the insurance companies, other entities within the group of companies, cooperation partners, hospitals, doctors, external experts and other involved parties in Switzerland and abroad and to obtain information from all of the above. This authorisation includes, in particular, the physical and/or electronic storage of data, the use of the data for determining the premium, assessing risk, processing insured events, combating abuse, preparing statistical evaluations and, within the group of companies, including cooperation partners, also for marketing purposes, including the creation of client profiles for the purpose of offering the applicant individual products.

What fees are charged?

In the event of reminders and debt enforcement, ERV charges the following fees:

- fee for a statutory reminder CHF 20,
- fee for initiating debt enforcement (plus official enforcement costs and court costs) CHF 50,
- fee for the deletion of a debt enforcement CHF 80. (deletion will only be performed if all outstanding amounts have been settled)

What else must be observed?

The actual insurance contract remains authoritative in any case.

Use of the male gender to facilitate readability is intended to also refer to the female gender.

In case of doubt about interpretation and content of all documentation, the German version shall prevail.

1 GENERAL PROVISIONS

1.1 Insured persons

- A This insurance covers those people listed on the policy. The insurance covers people who have their place of residence in civil law or habitual abode in Switzerland.
- B If family insurance is arranged, the policyholder and the following persons living with him in a joint household are insured: his spouse or partner, the parents, grandparents and children. His underage children and underage holidaying and foster children not living with him in a joint household are also insured. A family also means 2 people living together with their children, if any.

1.2 Validity period, contract termination

- A The annual insurance policies are valid for 365 days from the date of issue and will be automatically renewed for a further 365 days in each case unless cancelled in writing at least 90 days prior to expiry.
- B Contract termination
- a) Following each loss event for which ERV makes payments, the contract can be terminated in writing
- by the policyholder within 14 days of being notified of ERV's payment,
 - by ERV at the time when payment is made.
- b) The insurance ends 14 days after the notice of termination has been received by the other party.
- C If the contract is cancelled before the end of the contract term for a statutory or contractual reason, ERV reimburses the premium not spent unless
- the policyholder cancels the contract following a claim and the contract had been in force for less than 12 months at the moment of the cancellation,
 - ERV pays the insurance benefits and the insurance contract is invalid because the risk no longer applies (total loss or exhaustion of the benefits).

1.3 Premium payment and change

- A Premiums are due for payment according to the date specified on the invoice. If the premiums are not paid on the respective due date, ERV sends the policyholder, at his own expense, a written reminder calling upon him to make payment within 14 days on pain of the consequences of failing to do so. If this reminder has no effect, ERV ceases to be on risk for damage which occurred from the expiry of the period of grace until the premiums have been paid in full.
- B ERV may alter premiums and excesses at the beginning of a new insurance year, notifying the policyholder of such changes at least 30 days before the end of the current insurance year. If the policyholder does not agree with an increase in premiums or excesses, he may cancel the insurance contract. Notice of cancellation is valid if it is received by ERV on or before the last day of the current insurance year.
