

General conditions of insurance (GCI) E473

INFORMATION ABOUT YOUR INSURANCE POLICY

Dear Client

We would like to inform you about the identity of the insurer and the material content of the insurance contract (Art. 3 of the Insurance Contract Act).

Who is your contracting party?

The insurer is EUROPÄISCHE Reiseversicherungs AG (hereinafter referred to as "ERV"), a stock corporation under Swiss law, with its registered office at St. Alban-Anlage 56, 4002 Basel. For travel legal protection you are insured through Coop Rechtsschutz AG, a stock corporation under Swiss law, with its registered office at Entfelderstrasse 2, 5001 Aarau.

What risks are covered and what scope does the insurance cover have?

The insurance application, the corresponding General terms and conditions of insurance (GCI) and/or any Special conditions (SC) stipulate the events upon whose occurrence ERV is obliged to make a payment.

What insurance benefits are paid?

The amount and/or maximum limit and the type of insurance benefits can be gathered from the insurance application, the policy and the corresponding GCI or SC. The same applies to any deductibles or waiting period.

How high is the premium payable?

The amount of the premium depends on the insurance cover selected and on the insured risks. Details of the premium and the statutory duties and fees (e.g. Swiss Federal stamp duty) can be found in the quote, the insurance application or in the policy and premium note. The premium is generally paid once a year. If the contract is terminated early, ERV reimburses the premium not spent in accordance with the statutory and contractual provisions.

What other duties do you, as policyholder, and the insured persons have?

The essential duties of the policyholder and the insured persons include the following, for example:

- In the event of a claim, it must be reported to ERV immediately, e.g. using the 24-hour helpline +41 44 655 18 18.
- The policyholder and insured persons must co-operate in clarifications of ERV, e.g. in clarifications in the event of a claim (obligation to co-operate).
- In the event of a claim, reasonable actions must be taken to mitigate and elucidate loss (duty to mitigate loss).
- If a change in the material circumstances recorded in the insurance application and policy lead to an increase in risk, there is a duty to notify ERV of this without delay (aggravation of risk).

When does your contract of insurance commence and end?

The contract commences and ends on the date stated in the insurance application and in the policy. If proof of insurance or a provisional cover note was issued, ERV will grant insurance cover from the date specified therein until delivery of the policy. **After the expiration of the agreed contract period, the contract will be tacitly renewed for successive terms of 365 days unless one of the contracting parties gives 90 days prior written notice of termination. If the term of the contract is less than 365 days, it terminates on the expiry date stated in the policy.**

The contract may, among other things, be terminated prematurely by notice of cancellation:

- following a loss event for which ERV has made payments:
 - by the policyholder within 14 days of being notified of the payment; the insurance cover terminates 14 days after receipt of the notice of cancellation;
 - by ERV at the latest at the time when payment is made; the insurance cover terminates 14 days after receipt of the notice of cancellation;
- in the event of an increase in the premiums or deductible sums or of amendments to the GCI by ERV: by the policyholder at the end of the insurance year, if he does not agree with the revision. If ERV does not receive any notice of termination by the end of the insurance year, the contractual amendment shall be deemed to have been accepted by the policyholder. Officially prescribed adjustments (such as changes in the premiums, the deductibles, the indemnity limits, the scope of cover or the duties and fees) shall be reserved in the case of cover regulated by law.

Why is personal data processed, passed on and stored?

What personal data is processed?

Data acquisition and processing serves the business of insurance transactions, the marketing, selling, administration, mediation of products and services and risk assessment, as well as the handling of insurance contracts and any secondary business associated with this.

The data is physically and/or electronically acquired, processed, stored and deleted in accordance with the regulations of the legislator. Data which concerns business correspondence must be stored for at least 10 years from contract termination and claims data for at least 10 years after completion of the claim.

In essence, the following data categories are processed: interested parties data, customer data, contract and claims data, health-related data, data from injured parties and claimants as well as collection data.

ERV is authorised to disclose all this data to the extent required to co-insurers and reinsurers, official bodies, insurance companies and institutions, central information systems of the insurance companies, other entities within the group of companies, cooperation partners, hospitals, doctors, external experts and other involved parties in Switzerland and abroad and to obtain information from all of the above. This authorisation includes, in particular, the physical and/or electronic storage of data, the use of the data for determining the premium, assessing risk, processing insured events, combating abuse, preparing statistical evaluations and, within the group of companies, including cooperation partners, also for marketing purposes, including the creation of client profiles for the purpose of offering the applicant individual products.

What fees are charged?

In the event of reminders and debt enforcement, ERV charges the following fees:

- fee for a statutory reminder CHF 20,
- fee for initiating debt enforcement (plus official enforcement costs and court costs) CHF 50,
- fee for the deletion of a debt enforcement CHF 80. (Deletion will only be performed if all outstanding amounts have been settled.)

What else must be observed?

The actual insurance contract remains authoritative in any case.

Use of the male gender to facilitate readability is intended to also refer to the female gender.

In case of doubt about interpretation and content of all documentation, the German version shall prevail.

1 GENERAL PROVISIONS

1.1 Insured persons and animals

- A Insurance is valid for persons who have their legal domicile or usual place of abode in Switzerland.
 B Insurance applies to the animal described in the policy.
 C Cover may only be taken out for healthy animals older than 3 months and under 6 years of age.
 D Only dogs and cats which are kept in Switzerland may be insured. If the keeper of the animal moves outside of Switzerland then insurance cover terminates at the end of the current insurance period.
 E Commercial breeding as defined in the Animal Welfare Ordinance (TSchV) is excluded.

1.2 Annual insurance policies – validity period, contract termination

- A Unless otherwise stipulated, the insurance is valid worldwide.
 B Annual insurance policies – validity period, contract termination
 The annual insurance policies are valid for 365 days from the date of issue and will be automatically renewed for a further 365 days in each case unless cancelled in writing at least 90 days prior to expiry.
 C Contract termination
 a) Following each loss event for which ERV makes payments, the contract can be terminated in writing
 • by the policyholder within 14 days of being notified of ERV's payment,
 • by ERV at the time when payment is made.
 b) The insurance ends 14 days after the notice of termination has been received by the other party.
 D If the contract is cancelled before the end of the contract term for a statutory or contractual reason, ERV reimburses the premium not spent unless
 • the policyholder cancels the contract following a claim and the contract had been in force for less than 12 months at the moment of the cancellation,
 • ERV pays the insurance benefits and the insurance contract is invalid because the risk no longer applies (total loss or exhaustion of the benefits).
 E If the animal dies then the policy ends on death. An official document or a veterinary certificate must be produced for ERV to make a premium refund.
 F If an animal goes missing this must be declared immediately as per para. 4.1. If it can be proven that the insured animal has not been found within 6 months then it is deemed to be lost and the policy will be cancelled retroactively on the date of the declaration of loss.
 G ERV's duty to settle claims ends on termination of the policy. This also applies to outstanding claims. The applicable date is the respective treatment date.

1.3 Premium payment and amendment of the contract

- A Premiums are due for payment according to the date specified on the invoice. If the premiums are not paid on the respective due date, ERV sends the policyholder, at his own expense, a written reminder calling upon him to make payment within 14 days on pain of the consequences of failing to do so. If this reminder has no effect, ERV ceases to be on risk for damage which occurred from the expiry of the period of grace until the premiums have been paid in full.
 B ERV may alter the GCI, premiums and excesses at the beginning of a new insurance year, notifying the policyholder of such changes at least 30 days before the end of the current insurance year. If the policyholder does not agree with an amendment of the contract, he may cancel the insurance contract in writing. Notice of cancellation is valid if it is received by ERV on or before the last day of the current insurance year. If ERV does not receive any notice of termination by the end of the insurance year, the contractual amendment shall be deemed to have been accepted by the policyholder.

1.4 Change of owner or keeper

- A In the event of sale, exchange, change of keeper or the insured animal being given away, the policyholder must notify ERV in writing within 14 days of the change being made. The rights and obligations under the in-force policy are then transferred to the new owner or keeper.
 B The new owner or keeper may decide not to take over the insurance and should notify this in writing within 30 days of the change. ERV also has the right to withdraw from the contract within 14 days of becoming aware of the change. The policy terminates at the earliest 30 days after cancellation.

1.5 General exclusions

The following are not insured:

- illnesses and the consequences of an accident that occurred or were recognizable or could have been diagnosed by a vet on examination before inception of the insurance;

Department of Home Affairs) on training in animal husbandry and in the handling of animals (TSchAV);

The policyholder shall provide ERV, on request, with veterinary surgeons' reports as documentary evidence of the claim. The vet shall be released from his/her duty of confidentiality with regard to ERV. The ERV may, at its own expense, have an animal examined by its own veterinary examiner or a care provider of its choice.
 E Claims where there is a dispute over the origin of an accident or sickness shall be referred to a School of Veterinary Medicine in Switzerland.
 F In case of culpable violation of the duties in connection with a loss or damage, ERV has the right to reduce the compensation by the amount by which the compensation would have been reduced in case of a conduct in accordance with such duties.
 G The insurer's duty of indemnification falls away if, by design, untrue statements are made, details are withheld or contractual obligations are left unfulfilled which result in the insurer suffering a loss.

1.7 Claims against third parties

- A If the insured has been compensated by a liable third party or his insurance, any reimbursement on the basis of the present contract is cancelled. If ERV has intervened in place of the liable party, the insured party must assign his liability claims up to the amount of the outlays to ERV.
 B In the case of multiple insurance (voluntary or compulsory insurance) ERV provides its benefits on a subsidiary basis, unless the terms and conditions of insurance of the other insurer likewise contain a subsidiary clause. In that case, the statutory provisions concerning double insurance shall apply.
 C Costs will only be reimbursed once, even where there is more than one insurance policy with licensed companies.

1.8 Additional provisions

- A Should the policy be received by post, it may be returned to the issuing office within 48 hours of receipt. If this is not done in time, then the contract will be considered to have come about.
 B Payments received unrightfully from ERV must be returned within 30 days to the company, including any expenses incurred by ERV as a result.
 C The insurance contract shall be governed exclusively by Swiss law, in particular by the Swiss Federal Insurance Contract Act (VVG).
 D The person entitled to the payment may exclusively choose his Swiss place of residence or the domicile of ERV, Basel, as place of jurisdiction.
 E Claims become time-barred 2 years after occurrence of the claim event.
 F The keeping, accommodation and treatment of insured animals must comply with the Animal Welfare Act (TSchG) and the Animal Welfare Ordinance (TSchV).
 G Address changes shall be reported to ERV without delay. If the insurance contract or the premium invoice cannot be delivered, the obligation of the insurer to provide benefits shall be suspended until the outstanding premium has been paid in full.
 H ERV invoices are payable within 30 days. In the event of reminders and debt enforcement, ERV charges the following fees:
 • statutory reminder CHF 20,
 • initiating debt enforcement (plus official enforcement costs and court costs) CHF 50,
 • deletion of a debt enforcement CHF 80. (deletion will only be performed if all outstanding amounts have been settled).

If the insured person breaches these obligations, Coop Rechtsschutz can reduce the benefits to the extent of the additional costs incurred. In cases of major violation, benefits can be refused.

After consulting with the insured person, Coop Rechtsschutz will take action necessary for protection of their legal interests.
