General conditions of insurance (GCI) E30

Information about your insurance policy

Dear Client

We would like to inform you about the identity of the insurer and the material content of the insurance contract (Art. 3 of the Insurance Contract Act).

Who is your contracting party?

The insurer is EUROPÄISCHE Reiseversicherungs AG (hereinafter referred to as "ERV"), a stock corporation under Swiss law, with its registered office at St. Alban-Anlage 56, 4002 Basel. For travel legal protection you are insured through Coop Rechtsschutz AG, a stock corporation under Swiss law, with its registered office at Entfelderstrasse 2, 5001 Aarau.

What risks are covered and what scope does the insurance cover have?

The insurance application, the corresponding General terms and conditions of insurance (GCI) and/or any Special conditions (SC) stipulate the events upon whose occurrence ERV is obliged to make a payment.

What insurance benefits are paid?

The amount and/or maximum limit and the type of insurance benefits can be gathered from the insurance application, the policy and the corresponding GCI or SC. The same applies to any deductibles or waiting period.

How high is the premium payable?

The amount of the premium depends on the insurance cover selected and on the insured risks. Details of the premium and the statutory duties and fees (e.g. Swiss Federal stamp duty) can be found in the quote, the insurance application or in the policy and premium note. The premium is generally paid once a year. If the contract is terminated early, ERV reimburses the premium not spent in accordance with the statutory and contractual provisions.

What other duties do you, as policyholder, and the insured persons have?

The essential duties of the policyholder and the insured persons include the following, for example:

- In the event of a claim, it must be reported to ERV immediately, e.g. using the 24-hour helpline +41 848 801 803.
- The policyholder and insured persons must co-operate in clarifications of ERV, e.g. in clarifications in the event of a claim (obligation to co-operate).
- In the event of a claim, reasonable actions must be taken to mitigate and elucidate loss (duty to mitigate loss).
- If a change in the material circumstances recorded in the insurance application and policy lead to an increase in risk, there is a duty to notify ERV of this without delay (aggravation of risk).

When does your contract of insurance commence and end?

The contract commences and ends on the date stated in the insurance application and in the policy. If proof of insurance or a provisional cover note was issued, ERV will grant insurance cover from the date specified therein until delivery of the policy. After the expiration of the agreed contract period, the contract will be tacitly renewed for successive terms of 365 days unless one of the contracting parties gives 90 days prior written notice of termination. If the term of the contract is less than 365 days, it terminates on the expiry date stated in the policy.

The contract may, among other things, be terminated prematurely by notice of cancellation:

- following a loss event for which ERV has made payments:
 - by the policyholder within 14 days of being notified of the payment; the insurance cover terminates 14 days after receipt of the notice of cancellation;
 - by ERV at the latest at the time when payment is made; the insurance cover terminates 14 days after receipt of the notice of cancellation;
- in the event of an increase in the premiums or deductible sums or of amendments to the GCI by ERV: by the policyholder at the end of the insurance year, if he does not agree with the revision. If ERV does not receive any notice of termination by the end of the insurance year, the contractual amendment shall be deemed to have been accepted by the policyholder. Officially prescribed adjustments (such as changes in the premiums, the deductibles, the indemnity limits, the scope of cover or the duties and fees) shall be reserved in the case of cover regulated by law.

Why is personal data processed, passed on and stored?

What personal data is processed?

Data acquisition and processing serves the business of insurance transactions, the marketing, selling, administration, mediation of products and services and risk assessment, as well as the handling of insurance contracts and any secondary business associated with this.

The data is physically and/or electronically acquired, processed, stored and deleted in accordance with the regulations of the legislator. Data which concerns business correspondence must be stored for at least 10 years from contract termination and claims data for at least 10 years after completion of the claim.

In essence, the following data categories are processed: interested parties data, customer data, contract and claims data, health-related data, data from injured parties and claimants as well as collection data.

ERV is authorised to disclose all this data to the extent required to co-insurers and reinsurers, official bodies, insurance companies and institutions, central information systems of the insurance companies, other entities within the group of companies, cooperation partners, hospitals, doctors, external experts and other involved parties in Switzerland and abroad and to obtain information from all of the above. This authorisation includes, in particular, the physical and/or electronic storage of data, the use of the data for determining the premium, assessing risk, processing insured events, combating abuse, preparing statistical evaluations and, within the group of companies, including cooperation partners, also for marketing purposes, including the creation of client profiles for the purpose of offering the applicant individual products.

What fees are charged?

In the event of reminders and debt enforcement, ERV charges the following fees:

- fee for a statutory reminder CHF 20,
- fee for initiating debt enforcement (plus official enforcement costs and court costs) CHF 50,
- fee for the deletion of a debt enforcement CHF 80. (deletion will only be performed if all outstanding amounts have been settled.)

What else must be observed?

The actual insurance contract remains authoritative in any case.

Use of the male gender to facilitate readability is intended to also refer to the female gender.

In case of doubt about interpretation and content of all documentation, the German version shall prevail.

The following general provisions and the glossary apply to all types of travel insurance offered by EUROPAISCHE Reiseversicherungs AG (hereinafter referred to as "ERV"). The following parts (2–19) govern the cover provided by each type of insurance.

1 GENERAL PROVISIONS FOR ALL TRAVEL INSURANCES

1.1 Insured persons

- A This insurance covers those people listed on the policy.
- B The policyholder is the natural or legal person who has concluded an insurance contract with ERV. The insurance is valid
- if the policyholder has their civil residence in Switzerland or Liechtenstein;
 - if the policyholder does not have their civil residence in Switzerland or Liechtenstein, provided that the insurance cover lasts four months at the most. In this case, the policyholder must be in Switzerland or Liechtenstein when concluding the insurance policy.
- C If family insurance is arranged, the policyholder and the following persons living with him in a joint household are insured: his spouse or partner, the parents, grandparents and children. His underage children and underage holidaying and foster children not living with him in a joint household are also insured. A family also means 2 people living together with their children, if any.
- D The conclusion of the MULTI TRIP JEUNESSE annual insurance is possible only up to the age of 26 (date of the 26th birthday). On reaching the maximum age, the policy will automatically be converted into a MULTI TRIP CLEVER annual insurance on the next renewal date.
- E Groups of at least 5 people who book a trip together and complete at least the outward and return journeys together may arrange the SINGLE TRIP CLEVER GROUP option. The insured persons are recorded on a list of participants, which is sent in writing to ERV when the insurance agreement is concluded. The amount insured for cancellation costs is divided proportionately among the number of the participants.
- F Groups that make the jointly booked trip dependent on one key person can conclude the SINGLE TRIP KEY PERSON option. The key person (or max. two persons) and the insured persons are stated by name in the insurance policy.

1.2 Period of validity for a combination of different products

If several products with different insurance periods are combined, the period is separated for each product.

1.3 Annual insurance policies – validity period, contract termination

- A The annual insurance policies are valid for 365 days from the date of issue and will be automatically renewed for a further 365 days in each case unless cancelled in writing at least 90 days prior to expiry.
- B Contract termination
- Following each loss event for which ERV makes payments, the contract can be terminated in writing
 - by the policyholder within 14 days of being notified of ERV's payment,
 - by ERV at the time when payment is made.

- The insurance ends 14 days after the notice of termination has been received by the other party.

- C If the policyholder moves their legal or habitual residence abroad, the insurance shall lapse as of the date that he moves away.
- D If the contract is cancelled before the end of the contract term for a statutory or contractual reason, ERV reimburses the premium not spent unless
- the policyholder cancels the contract following a claim and the contract had been in force for less than 12 months at the moment of the cancellation,
 - ERV pays the insurance benefits and the insurance contract is invalid because the risk no longer applies (total loss or exhaustion of the benefits).

1.4 Premium payment and amendment of the contract

- A Premiums are due for payment according to the date specified on the invoice. If the premiums are not paid on the respective due date, ERV sends the policyholder, at his own expense, a written reminder calling upon him to make payment within 14 days on pain of the consequences of failing to do so. If this reminder has no effect, ERV ceases to be on risk for damage which occurred from the expiry of the period of grace until the premiums have been paid in full.
- B ERV may alter the GCI, premiums and excesses at the beginning of a new insurance year, notifying the policyholder of such changes at least 30 days before the end of the current insurance year. If the policyholder does not agree with an amendment of the contract, he may cancel the insurance contract in writing. Notice of cancellation is valid if it is received by ERV on or before the last day of the current insurance year. If ERV does not receive any notice of termination by the end of the insurance year, the contractual amendment shall be deemed to have been accepted by the policyholder.

1.5 General exclusions

Not insured are events:

- having already occurred, or that were manifest when the travel service was booked or when the policy was taken out. The provisions of par. 2.2 D, par. 3.2 C and par. 14.3 e) are reserved;
- in connection with illnesses or accidents, which have not been detected by a doctor at the time of occurrence and confirmed by a medical certificate;
- where the assessor (expert, doctor, etc.), who reaches conclusions about the claim event, is a direct beneficiary of or is related by birth or by marriage to the policyholder;
- which are attributable to a consequence of acts of war or terrorism, subject to the provisions of par. 3.2 A e);
- in connection with abduction;
- which are a consequence of dispositions made by a public authority (detention or ban on departure from the country, closure of air space, etc.), subject to the provisions of par. 12.3, par. 12.4, par. 18.2 and par. 18.3;
- which occur on the occasion of participation in
 - competitions, races, rallies or trainings with motor vehicles or boats,
 - competitions or training sessions in connection with professional sport or an extreme sport,
 - trekking or tours in the mountains when sleeping at altitudes of more than 4,000 m above sea level,

- expeditions,
 - acts of daring (reckless actions), in which the person concerned knowingly exposes himself to a particularly great risk;
- h) which occur when driving a motor vehicle or a boat without the legally required driver's license or in the absence of the legally required accompanying person;
- i) which are caused by deliberate or grossly negligent action or omission or are the result of disregard of the common duty of care;
- k) which occur under the influence of alcohol, drugs, narcotics or pharmaceuticals;
- l) which occur on the occasion of the wilful commitment or attempted commitment of crimes or misdemeanours;
- m) which the insured person causes in connection with suicide, self-mutilation and the attempt to do so;
- n) which are caused by ionising rays of any kind, in particular as a result of nuclear reactions.

1.6 Claims against third parties

- A If the insured has been compensated by a liable third party or his insurance, any reimbursement on the basis of the present contract is cancelled. If ERV has intervened in place of the liable party, the insured party must assign his liability claims up to the amount of the outlays to ERV.
- B In the case of multiple insurance (voluntary or compulsory insurance) ERV provides its benefits on a subsidiary basis, unless the terms and conditions of insurance of the other insurer likewise contain a subsidiary clause. In that case, the statutory provisions concerning double insurance shall apply.
- C Costs will only be reimbursed once, even where there is more than one insurance policy with licensed companies.
- D The provisions of par. 1.6 A–C are not applicable for capital benefits in case of death or disability.

1.7 Additional provisions

- A Should the policy be received by post, it may be returned to the issuing office within 48 hours of receipt. If this is not done in time, then the contract will be considered to have come about.
- B The claims lapse after a damage event occurs
- for capital accident insurances after 5 years,
 - for other insurances after 2 years.
- C The person entitled to the payment may exclusively choose his Swiss place of residence or the domicile of ERV, Basel, as place of jurisdiction.
- D Payments received unrightfully from ERV must be returned within 30 days to the company, including any expenses incurred by ERV as a result.
- E The insurance contract shall be governed exclusively by Swiss law, in particular by the Swiss Federal Insurance Contract Act (VVG).
- F For the purpose of assessing whether a journey to a country is or is not reasonable because of strikes, unrest, war, terrorist attacks, epidemics, etc., the currently valid recommendations of the Swiss authorities shall as a matter of principle apply. These are in the first instance the Federal Department of Foreign Affairs (EDA) and the Federal Department of Health (BAG).
- G Address changes shall be reported to ERV without delay. If the insurance contract or the premium invoice cannot be delivered, the obligation of the insurer to provide benefits shall be suspended until the outstanding premium has been paid in full.
- H If a status which justifies special concessions ceases to exist, the insured person must inform ERV without delay. Otherwise, the insurer reserves the right to reduce the benefits in the event of a claim.
- I ERV invoices are payable within 30 days. In the event of reminders and debt enforcement, ERV charges the following fees:
- statutory reminder CHF 20,
 - initiating debt enforcement (plus official enforcement costs and court costs) CHF 50,
 - deletion of a debt enforcement CHF 80. (deletion will only be performed if all outstanding amounts have been settled)
- K A waiting period of 24 hours applies to all benefits for insurance concluded after the start of the travel service.
- L ERV pays its benefits in principle in CHF. Foreign currencies are converted at the exchange rate of the day on which these costs were paid by the insured person.
- M When ERV pays the claim, the policyholder shall assign his claim resulting from the insurance contract as an automatic lump sum to ERV.
- N ERV only provides insurance cover, and may only be liable for damage claims or other benefits in so far as these are not in breach of any sanction or restriction per UN resolutions, or in breach of any trade or economic sanctions imposed by Switzerland, the European Union or the United States of America.

 - facts are concealed,
 - the obligations (e.g. report on the facts of the case and receipts) are omitted, if ERV suffers any loss as a consequence.

2 CANCELLATION COSTS

2.1 Special provision, scope, policy period

Persons suffering from a chronic illness must arrange for their fitness to travel to be confirmed by a medical certificate, which must then be issued immediately before a travel service is booked. The insurance cover is valid worldwide and takes immediate effect once the insurance has been taken out or, if insurance cover already exists, when the reservation is made. It ends once the insured travel service has begun (check-in, on boarding the reserved mode of transport, etc.).

2.2 Insured events

- A ERV grants insurance protection if the insured person is unable to start the booked travel service as a result of one of the occurrences listed below, provided such an occurrence begins after the travel service has been booked:
- a) unforeseen severe illness, severe injury, severe pregnancy complication as well as death
- of an insured person,
 - of a person travelling with the insured,
 - of a person not travelling with the insured, who is very close to the insured,
 - of the acting representative at the place of work, so that the presence of the insured person at that place is indispensable;
- b) strikes (except in the case of active participation) on the designated travel route abroad. Unrest of any kind, quarantine, epidemics or acts of God at the travel destination, should the life and property of the insured be at real risk;
- c) severe detriment to the insured's property at his place of residence as a consequence of fire, storm, theft or water damage, so that his presence at home is indispensable;
- d) non-functioning or delay both caused by personal accident or by a technical defect of the public means of transport to be used to reach the official place of departure in the country of residence (airport, departure railway station, port or coach boarding place);
- e) if within the last 30 days prior to departure
- the insured person unexpectedly takes up a new permanent post as an employee with a new employer (promotions, etc. are excluded), or
 - the contract of employment of the insured person is terminated through no fault of his own by his employer.
- In such a case, in accordance with par. 2.3 B, payments are limited to a maximum of CHF 10,000 per event and person or to CHF 20,000 per event and family;
- f) theft of tickets, passport or identity card: benefits, in accordance with par. 2.3 B, are limited to a maximum of CHF 10,000 per event and person or to CHF 20,000 per event and family.
- B If MULTI TRIP COMFORT or SINGLE TRIP COMFORT has been taken out, the list of insured events in par. 2.2 A is extended by the following point:
- a) pregnancy of an insured person, if the date of return is after the 24th week of pregnancy, or if a vaccination that would present a risk to the unborn child is recommended for the destination of travel, or if an official travel warning for pregnant women has been issued for the travel destination.
- b) In such a case, the insurance benefits per item 2.3 B shall be limited to a maximum of CHF 15,000 per event and person, or to CHF 25,000 per event and family, or under SINGLE TRIP COMFORT to the amount insured for cancellation costs per event and per person.
- C If the person touching off the claim through an insured event is neither related by birth nor marriage to the insured, there is only an entitlement to benefits if the latter would have to start/continue the journey alone.
- D If an insured suffers from a chronic disease without this disease appearing to call into question the travel service at the time when the insurance is taken out or when the booking is made, ERV will pay the incurred insured costs if the travel service must be cancelled due to unforeseen severe acute aggravation of this disease or if the person dies as a result of the chronic disease (subject to the provisions of par. 2.1).
- E Under the SINGLE TRIP KEY PERSON option, ERV grants insurance cover if the insured persons are unable to utilise the booked travel service due to any of the events mentioned under item 2.2 A a)–f). The insurance benefits are as per item 2.3 A–C.
- 2.3 Insured benefits, excess
- A The extent of entitlement to benefits is determined by the nature of the event causing the cancellation of the booked travel service. Previous or subsequent events are not taken into consideration.
- B ERV reimburses the actually incurred cancellation costs (excl. security fee and

airport taxes) if the insured is unable to start the journey, as a result of the insured occurrence limited by the price of the travel service or the insured value. Disproportional or repeated administrative fees are not covered.

The benefits for cancellation costs under all insurance policies in force with ERV are limited to a maximum of CHF 25,000 per event and person, and to CHF 60,000 per event and family.

- C ERV reimburses the additional costs for the late start of the journey if the travel service cannot be started due to the insured event at the scheduled time; this benefit is limited to the price of the travel service and comprises a maximum of CHF 3,000 per person. Should additional expenses be asserted, the entitlement to cancellation costs will lapse in accordance with par. 2.3 B.
- D For each indemnifiable event over CHF 10,000 per individual person, an excess of 10% payable by the insured person is deducted from the part which exceeds that sum. For families the excess is 20% above a claim of CHF 20,000.
- E For all insured persons who cancel the booked travel service as a consequence of illness or accident of a participating person who had reached his/her 65th birthday when the insured event occurred, an excess of 10%, subject to a minimum of CHF 100 per event, will be deducted over and above the provisions of paragraph 2.3 D.
- F The provisions of par. 2.3 D and E are not applicable for the package options MULTI TRIP COMFORT and SINGLE TRIP COMFORT.
- G The benefits for leisure activity cover (day trips, further education courses, concert tickets, ski passes, entry fee for a city run, etc.) are limited to CHF 500 per person per event.

2.4 Exclusions

Payments are excluded

- a) if the service provider (travel company, hirer, organiser, etc.) cancels the agreed service or should have cancelled the service for objective reasons;
- b) if the illness/complaint which gave rise to the annulment is a complication or consequence of an operation or medical treatment already planned prior to the commencement of insurance coverage or at the time the travel service was booked;
- c) if an illness or the consequences of an accident, an operation or medical treatment already exist at the time of booking the trip and have not been resolved by the time of departure;
- d) in the event of cancellation in respect of par. 2.2 A a) without medical indication, or if the medical certificate was not made out as soon as the inability to travel could have been established or was obtained by means of a telephone consultation;
- e) if the cancellation is the result of a mental or psychosomatic illness
 - which cannot be substantiated by a finding and attestation by a psychiatric specialist and
 - of persons in gainful employment which cannot be additionally substantiated by the presentation of a certificate of 100% absence issued by the employer for the duration of the inability to travel certified by a medical practitioner.

2.5 Claim

- A The booking agency (travel office, transport enterprise, landlord, etc.) must be notified immediately after the occurrence of the event.
- B The following documents must i.a. be delivered to ERV:
 - the confirmation of the booking/invoice for the travel service as well as the bill(s) for the cancellation or the subsequent journey costs (originals),
 - a detailed medical certificate or a certificate of death or another official document,
 - a copy of the insurance policy.

3 SOS PROTECTION FOR UNFORESEEN INCIDENTS DURING THE TRIP

3.1 Special provision, scope, policy period

Persons suffering from a chronic illness must arrange for their fitness to travel to be confirmed by a medical certificate, which must then be issued immediately before a travel service is booked. The insurance cover is valid worldwide for the policy period set out in the insurance policy for as long as and as often as the insured is away from his usual place of residence.

3.2 Insured events

- A ERV grants insurance protection if the insured person has to discontinue, interrupt or prolong the booked travel service as a consequence of one of the following events:
 - a) unforeseen severe illness, severe injury, severe pregnancy complication as well as death
 - of an insured person,
 - of a person travelling with the insured,
 - of a person not travelling with the insured, who is very close to the insured,
 - of the acting representative at the place of work, so that the presence of the insured person at that place is indispensable;
 - b) strikes (except in the case of active participation) on the designated travel route abroad. Unrest of any kind, quarantine, epidemics or acts of God at the travel destination, should the life and property of the insured be at real risk and the continuation of the journey or stay therefore become impossible or unreasonable;
 - c) severe detriment to the insured's property at his place of residence as a consequence of fire, storm, theft or water damage, so that his presence at home is indispensable;
 - d) the breakdown of a booked or used means of public transport caused by a technical defect if on this account the continuation of the journey as scheduled cannot be guaranteed. Delays and detours of the booked or used

means of public transport are not deemed to be breakdowns. There is no claim to benefits in the event of breakdowns or accidents with private vehicles which are driven by the insured or used by the insured as a passenger;

- e) warlike events or acts of terrorism, within the first 14 days of such an event, if these have caught the insured unawares abroad;
- f) theft of tickets, passport or identity card: only the benefits in par. 3.3 B h) are insured.

- B If the person touching off the discontinuation, interruption or prolongation of the journey through an insured event is neither related by birth nor marriage to the insured, there is only an entitlement to benefits if the latter would have to continue the journey alone.
- C If an insured person is suffering from a chronic illness, without the travel service seemingly being called into question for that reason at the time when the insurance is taken out or when the booking is made or before the journey is begun, ERV will pay the incurred insured costs if the travel service must be cancelled due to unforeseen severe acute aggravation of the disease or if the person dies as a result of the chronic disease (subject to the provisions of par. 3.1).

3.3 Insured benefits

- A The extent of entitlement to benefits is determined by the event causing the travel service to be discontinued, interrupted or prolonged. Previous or subsequent events are not taken into consideration.
- B In case of the occurrence of the insured event ERV will bear
 - a) the costs
 - for transfer into the nearest hospital suited for the treatment,
 - of a medically attended emergency transport to the hospital suited for the treatment at the place of residence of the insured.
 Only ERV's doctors decide on the necessity, nature and timing of these benefits;
 - b) the costs of a necessary search and rescue operation up to CHF 10,000 per person if the insured is considered to be lost or must be rescued;
 - c) the organisation and costs of the formalities required by the public authorities if an insured person dies during the travel. In addition, ERV will pay the cost of cremation elsewhere than in the country of residence or the additional costs to comply with the international convention on the transport of corpses (minimum requirements such as a zinc coffin or zinc lining) and repatriation of the coffin or urn to the last place of residence of the insured person;
 - d) the costs of temporary return to the place of residence in an amount of up to CHF 3,000 per person (outward and return journey for a maximum of 2 insured persons) if a stay for a period fixed in advance was booked with a return journey;
 - e) the extra costs of an unscheduled return, and this on the basis 1st class ticket by train and economy class by plane;
 - f) a repayable cost advance up to CHF 5,000 per person if an insured must be hospitalised abroad (repayment within 30 days after the insured person's return home);
 - g) the costs corresponding to the non-used part of the booked travel service (excluding the costs of the originally booked return journey); this benefit is limited to the price of the travel service or the cancellation cost/amount insured stated in the policy and comprises a maximum of CHF 10,000 per person or, in the case of several insured persons, CHF 20,000 per booking. No refund will be granted for unused accommodation services if ERV pays the costs of alternative accommodation. This benefit lapses if there is entitlement to a voucher for a replacement trip according to par. 7.2;
 - h) either the additional costs for continuation of the journey including accommodation, subsistence and communication costs for calls to the ALARM CENTRE (for a maximum of 7 days) in an amount of up to CHF 700 per person, or if a hire car is used up to CHF 1,000, regardless of how many persons use the hire car;
 - i) the travel costs (flight in the economy class/medium-priced hotel) to the sickbed of the insured up to CHF 5,000 per person for 2 persons who are very close to him if he must stay for more than 7 days in a hospital abroad;
 - k) the organisation of the cancellation of mobile phones, credit and debit cards, but not the resulting costs.
- C The decision as to the necessity, nature and timing of these benefits rests with ERV.
- D In relation with par. 3.3 B g), the benefits for leisure activity cover (day trips, further education courses, concert tickets, ski passes, entry fees for a city run, etc.) are limited to CHF 500 per person per event.

3.4 Exclusions

- A The insured person must take advantage of the services stipulated in par. 3.3 via the ALARM CENTRE and arrange for such services to be approved in advance by the ALARM CENTRE or ERV. Failing this, the benefits are limited to a maximum of CHF 400 per person and event.
- B Payments are excluded
 - a) if the service provider (travel company, hirer, event organiser, etc.) changes or interrupts the agreed service or should have changed or interrupted the service for objective reasons;
 - b) in the event of termination, interruption or extension of the travel in respect of par. 3.2 A a) without medical indication (e.g. if adequate medical care was available locally) or if no physician was consulted locally;
 - c) if the illness/complaint which gave rise to the interruption or prolongation of the journey is a complication or consequence of an operation or medical treatment already planned prior to the commencement of insurance coverage or at the time the booking was made or before the travel service was begun.

3.5 Claim
